

# SWANK CAKE DESIGN

## Fabulous Faux Cake Stand

In this hands on class, students will learn how to make this beautiful gilded faux cake stand. Your wedding cakes will appear to be supported by this ornate "cake stand", but it's really just an optical illusion created with common cake decorating supplies and decorated with molded gum paste!

Students will leave class with:

~completed faux cake stand

~instructions and/or patterns

~the knowledge to begin making the cake stand at home right away.

All materials are included and tools are available for class use.  
Just bring yourself and be ready to have a good time!
