

# **SWANK CAKE DESIGN**

## **Getting to Know Your Electronic Cutter**

How many of you have a *Cricut Cake* in your closet collecting dust because it is just not as easy to use as you thought? Well, think again - In this informative hands-on class, students will learn how to make impressive cake decorations using their *Cricut Cake*! We have been using the *Cricut Cake* successfully for several years now and I will share with you my techniques and experience so you too can get the most out of your electronic cutting machine.

Students will leave class with:  
~completed dummy cake

Materials are included and tools are available for class use, however - **You MUST bring your *Cricut Cake* machine plus whatever cartridges you have and at least 2 cutting mats.**

**\*Actual finished project will differ from that pictured depending on what cartridges you own and design you choose. Flower and brooch NOT included.**
